Frank was a [witcher](#) from the [School of the Wolf](#).^[1]

Biography

Frank was one of the Wolf School witchers who participated in the [Witcher Tournament](#). Before the tournament, he was among the wolves who traveled to Devil's Cliff after the [sorceresses](#) underwent their transformation on the night of [Belleteyn](#). Although he initially didn't have a companion for the evening, he was approached by the elf [Fionnuala](#), and they slipped away into the bushes for some private time together.

During the [Trial of Forest Eyes](#), Frank, like several other witchers, cheated by removing his blindfold. As punishment, Vesemir hung them upside down by their ankles as a reprimand.

During the tournament, the [School of the Cat](#) sprang their trap under the orders of King [Radowit II's](#) royal astrologer, [Astrogarus](#). However, the Cats were betrayed by the king, and Frank, along with the other Wolf and Cat witchers present, was killed. Only [Geralt of Rivia](#) survived.
